#1 - Pricing table

Vendor, Nov 10, 2025 12:17 PM CST, Not Public - Pending

Good afternoon,

Is it mandatory for a vendor to submit a price list on tab 1 (Products-Services Price List) or can they simply submit a percent discount off their list price (MSRP) on tab 2 (Other pricing & Discounts)?

Thank you in advance!!

Vendors may submit a discount off list price. List prices must be available for accurate evaluation of final pricing being offered.
