

RFP R10-1158 Questions and Answers

Qualification question

<i>Question</i>
We offer an award-winning, online research-based personalized learning platform with English (standard writing conventions and ability to revise and edit texts), Math (content from Algebra I through Trigonometry), Reading (ability to read closely, synthesize information from multiple sources, and logically reason about texts), Writing (ability to evaluate multiple perspectives and craft an essay response), and Science (ability to interpret, analyze, evaluate, reason, and problem solve from texts, figures, tables, and diagrams) curriculum and platform features that emphasize the skills and content knowledge needed for college and career readiness (CCR) and 16 full-length ACT and SAT practice exams testing CCR content knowledge along with Professional Development. Do we qualify for this bid?
<i>Answer</i>
Vendors must determine for themselves whether they can meet the scope requested. Region 10 can clarify questions about the scope but we cannot advise vendors on whether or how to respond.

Section 3

<i>Jennifer Winward, Jun 14, 2023 3:31 PM CDT</i>
We are requesting clarification if we need to sign and upload Section 3 or if it is there as a reference to the contract if awarded.
<i>Clint Pechacek, Jun 14, 2023 4:25 PM CDT</i>
The contract signature page has been included in Section 2. That must be signed and submitted with your response. Section 3 does not need to be signed and submitted in addition to that.
